Documents you may receive

Please refer to the following definitions for a description of the documents you are likely to receive:

Statement of Advice (SOA)

If you request that we provide you with personal financial advice, we will provide you with a SOA. We must give the SOA to you the first time we provide you with personal advice about each type of financial product or where there has been a significant change in your circumstances.

We provide personal advice when we take your personal circumstances into account when providing the advice. Personal advice can be given on your complete financial situation or on limited areas you require advice on – we will discuss the scope of the advice before we start work.

We must give you the SOA before we provide any services recommended in the SOA. We are under a legal obligation to ensure that the advice and recommendations we provide to you are in your best interests.

The SOA will include the following information:

- our advice and the grounds for our recommendations;
- information about fees and commissions that may be received by us for the advice; and
- any associations, relationships or interests that may influence the advice we provide.

Where the personal financial product advice relates only to a basic deposit product, a non-cash payment facility or travellers' cheques, an SOA will not be provided.

Record of Advice (ROA)

We may also record our advice through preparing a record of advice in some circumstances instead of providing you with another SOA. If you have not been provided with a copy of the ROA, you may request a copy of it free of charge at any time within seven years after the advice was provided to you, by contacting us.

Client Service Agreement

The Client Service Agreement will be tailored to your specific requirements and outlines the benefits, services and support we will provide you. It will contain terms and conditions for our fees and costs for providing and implementing our advice.

Consent documents

If we enter into an ongoing fee arrangement ("**OFA**") with you, we will provide you with a Consent to Enter or a Consent to Renew the OFA (as relevant) along with a Consent to Deduct. Each consent document will contain important information about why the consent is being sought.

Product Disclosure Statement (PDS)

If we make a recommendation on certain financial products (other than securities) or arrange the issue of a financial product, you will receive a PDS. The PDS outlines the key features, significant benefits, risks and fees associated with the financial product.

How can you provide us with instructions?

You can give us instructions in writing, by phone, email or any other means that we agree with you from time to time.

Who do we act for?

We provide financial services on behalf of the Licensee. In providing those financial services, the Licensee acts on its own behalf.
